

You'd better be serious, because I'll work you hard-!

Okay~! You sound like you've got what it takes~!!

You did well to come to me!

I'll teach you all the ins and outs of a proper British maid, dess!

First, being a maid isn't all that glamorous!

!

...What's wrong?

Nothing...

And all the chores too! Can you handle that, Sazanami?

You'll have to take care of Admiral's every need!

You'll have to clean up everywhere!

Nothing...  
I've just heard  
that a maid and her  
master can never  
be married...

But if you're  
fine with that,  
Nee-sama...

!!

Oh,  
Hiei!

Nee-  
sama,  
that uni-  
form...

Of  
course,  
dese!  
What's  
wrong?

Don't  
tell me  
you're going  
to the Comman-  
der?

Now  
let's  
go see  
Admi-  
ral-!!

Hiei  
doesn't  
know  
what she's  
talking  
about-!!

...I'll go  
try out  
something  
else...

Nooo-!!  
We're just  
playing around,  
so it doesn't  
count, dese!!

HIEI  
~!!

Sorry,  
I'm  
sorry!

Admiral  
wanted to  
show his own  
**BUURN-  
ING LOVE**  
for you,  
dess!

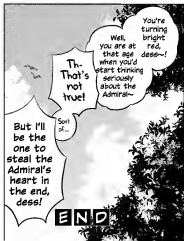

Master  
was so  
happy that  
he blew it  
up to cover  
a whole  
wall...

I was so  
embarr-  
assed  
when I saw  
it framed...

Re-  
member  
taking  
this pic-  
ture?

It was  
a little  
awkward,  
but it was  
the best idea  
I could come  
up with.

Th-  
That's  
not  
true!

Sort  
of...

But I'll  
be the  
one to  
steal the  
Admiral's  
heart in  
the end,  
dess!

**END**

You're  
turning  
bright  
red,  
dess~!

Well,  
you are at  
that age  
when you'd  
start thinking  
seriously  
about the  
Admiral~

No way;  
it's too em-  
barrassing!

But now  
you'd have  
no problem  
wearing it  
before him,  
right?

Hmm?  
But I don't  
think embar-  
rassment's  
the only thing  
you'd feel~
